

# TO OUR CREDIT CARD CUSTOMERS

Starting October 1, 2015, there will be a shift in liability from Credit Card companies to the Merchant accepting the credit cards. Because of this change, we will be changing our policy on “left credit cards.”

If you leave your credit card at Otto’s Pub & Brewery and/or Barrel 21 Distillery & Dining, we will secure your credit card for 48 hours. If not picked up in 48 hours, your credit card will be shredded. Picking up your credit card can only be done by the **card holder along with a photo I.D.** in order for our managers to release the credit card. Credit cards **cannot be mailed** but must be picked up by the card holder, only.
